Selected Experiences

Capital Projects/Construction Intern for Greystar Real Estate Partners, LLC, Summer 2018

- Managed renovation schedule for 14 assets which required acute attention and coordination with on-site property teams, contractors, and materials vendors
- Aided in due diligence, bidding process, contract writing, FF&E design, QA/QC, and investor relations
- Engaged with Investments group to assess impact of prospective value-add projects

American Society of Civil Engineers (ASCE) at UCLA

- **Professional Outreach Chair, Summer 2018-Current**
 - Coordinated field trips and an industry shadow program for ASCE members by communicating with civil engineering professionals and projects from all domains
- **Pacific Southwest Conference, Sustainability Project [awarded 3rd place], Winter 2017-Spring 2018**
 - Analyzed the environmental impacts of student and professional conferences in order to provide recommendations for a 3-year sustainability plan via written report and oral presentation
- **Associated Schools of Construction 67, Design Build, Fall 2016-Winter 2017**
 - Competed in the design, construction plan, and proposal of a community college expansion project

Bruin Ambassador, UCLA Undergraduate Admissions, Spring 2018-Current

- Represented UCLA in multi-faceted effort to promote higher education opportunities to high school students in LA county

External Vice President Staff Member, UCLA Undergraduate Student Association, Fall 2016-Spring 2017

- Lobbied support for California legislative bills that addressed K-12 college accessibility, including increased STEM opportunity, updated teacher recruitment strategy, and teacher and principal evaluation reform

Associate Student Body President, Mission Vista High School (MVHS), Fall 2015-Spring 2016

- Led approval meetings authorizing the fundraising, advertising, and spending of sixty campus student-groups, transacting an approximate amount of \$300,000
- Represented MVHS on the Vista Unified Board of Education and gave annual state-of-school report following investigative research on current student affairs

Relevant Skills

Personal Entrepreneurship

- Handmade wedding and decor signs sold through Etsy
- Homebrewed Kombucha, neighborhood pop-up

Experience Abroad
